Join us for a
WILD TIME at ELM's
**SUMMER
SAFARI!**

14 Day 'Jungle Safari' Package

This summer your child can experience the sights and sounds of the jungle with ELM's summer program. We will discover the flora and fauna and come eye-to-eye with diverse wildlife. Sign up your explorer before it's too late!

What will they gain?

Children improve thinking and leadership skills through hands-on experiences in the classroom, block studio, art studio, music, movement and pretend play. There are many opportunities to enhance foundational skills that lead to success in academics. Returning students maintain continuity and new students get a jump on fall.

How much for this package?

The summer tuition is \$395 for 14 sessions.

ELM's low ratio is maintained through the summer at 1 teacher for every 7 children.

What if I will miss a few days of this adventure?

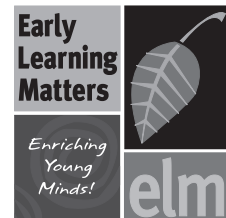

Not a problem! While the tuition will not be adjusted for absences, our teachers are experts at making sure little explorers can jump back into the excursion and pick up right where they left off.

What to bring?

- A change of clothes
(it gets dirty in the jungle)
 - A jungle hat
 - A big imagination
 - A ton of creativity
- An enthusiasm for learning new things
